accessories

We have a strong focus on developing new products and as a testament to our innovation, we boast one of the most diverse and unique inventories in our field.

## OUR EFFORTS ARE GUIDED BY THE FOLLOWING THREE PRINCIPLES

### VALUE

Providing our customers with the products they need at a good price is just the beginning. By choosing to deal with us, our customers must receive extra value. To this end we offer technical support, training and software aimed at making the jobs of our customers easier.

### SERVICE

Prompt delivery isn't enough. By choosing to deal with us, our customers have earned a partner that goes the extra mile. In this spirit, we respond to our customers needs irrespective of what we have in stock.

### QUALITY

Reliability is a given. By choosing to deal with us, our customers deserve an attention to detail. That is why we worry about the small things like superior fixings and high grade gaskets.

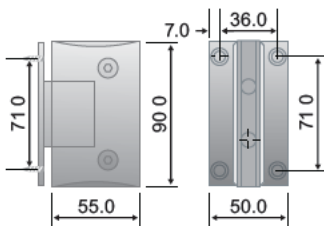

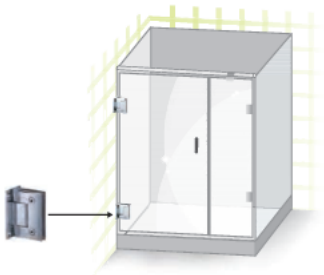

We boast a range of stylish hinges, each created to combine top-quality solutions with visually stunning designs.
