STABILIZERS

Architectural glass
fittings and bathroom
accessories

We have a strong focus on developing new products and as a testament to our innovation, we boast one of the most diverse and unique inventories in our field.

OUR EFFORTS ARE GUIDED BY THE FOLLOWING THREE PRINCIPLES

VALUE

Providing our customers with the products they need at a good price is just the beginning. By choosing to deal with us, our customers must receive extra value. To this end we offer technical support, training and software aimed at making the jobs of our customers easier.

SERVICE

Prompt delivery isn't enough. By choosing to deal with us, our customers have earned a partner that goes the extra mile. In this spirit, we respond to our customers needs irrespective of what we have in stock.

QUALITY

Reliability is a given. By choosing to deal with us, our customers deserve an attention to detail. That is why we worry about the small things like superior fixings and high grade gaskets.

Designed and crafted to exacting standards for sturdy functionality, S.S.O's range of stabilising components also reflects our trademark elegance.

All visible components display S.S.O's signature elegance of design, even in the smallest functional detail.

STA-COM-WG

Complete stabilizer arm
8 to 12mm glass thickness
Material: Stainless steel
Finish: Bright chrome plated
Wall to glass

STA-COM-GG

Complete stabilizer arm
8 to 12mm glass thickness
Material: Stainless steel
Finish: Bright chrome plated
Glass to glass

Uni-mount alpine support
bar bush
Material: Stainless steel
Finish: Polished or brushed

STA-SBTR-PM

19mm Support bar/towel
rail 19mm per meter
Material: Stainless steel
Finish: Polished or brushed

KA-003-19

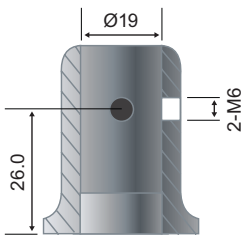

19mm Adjustable support
flange 90°
Material: Brass
Finish: Bright chrome
plated

KA-101 19

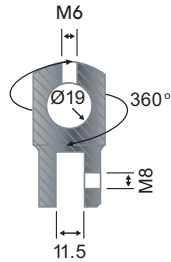

19mm Wall flange
Material: Brass
Finish: Bright or satin chrome plated

KA-102 19

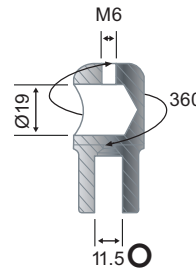

19mm Hole-through bracket
Material: Brass
Finish: Bright chrome plated

KA-103 19

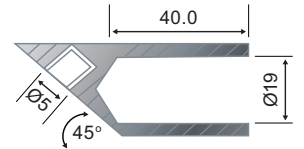

19mm End bracket
Material: Brass
Finish: Bright or satin chrome plated

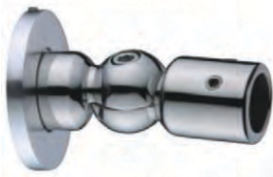

KA-107 19

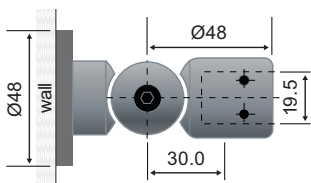

19mm - 45° Wall bracket
Material: Brass
Finish: Bright chrome plated

GSH-301

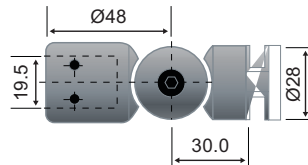

19mm Adjustable wall-mounted support bar bracket
Material: Brass
Finish: Bright or satin chrome plated

GSH-401

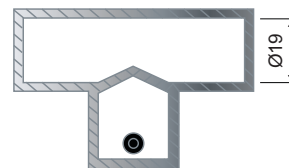

19mm Adjustable glass-mounted support bar bracket
Material: Brass
Finish: Bright or satin chrome plated

KA-111 19

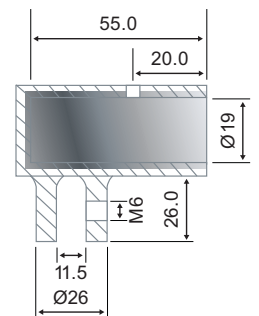

19mm Tee-coupler
Material: Brass
Finish: Bright or satin chrome plated

KA-106 19

19mm Adjustable end bracket
Finish: Bright chrome plated

When designing architectural glass enclosures, it is vital to ensure that glass panels are adequately braced. When correctly applied, stabilizer fittings can be effective in ensuring structural integrity.
